

LETTER OF SUPERVISORY SUPPORT

Earth to Sky Academy
NASA Goddard Space Flight Center, Greenbelt, MD
January 25 – 29, 2021

RE: Application for the Earth to Sky Academy

TO: Earth to Sky Leadership

Applicant name:

This letter serves as a statement of support for the applicant to participate as part of a regional team in the Earth to Sky Academy (ETSA) at NASA Goddard Space Flight Center.

I acknowledge that upon successful completion of all ETSA coursework and evaluations, the applicant will be designated an Earth to Sky (ETS) Regional Leader and will work with his/her regional team to complete the following:

1. Conduct an ETS-style, face to face, multi-day professional development in their region within 18 months to 2 years of graduation.
2. Catalyze, nurture, and sustain a regional community of practice. ETS courses serve as a stimulus for creating or reinvigorating communities of practice. Regional leaders follow-up with and mentor members of their community.
3. Participate in the ETS Regional Leaders Network. ETS Leadership will facilitate opportunities for Regional Leaders to continue to learn from one another post-Academy via the ETS Regional Leaders Network.

Sincerely,
